## Honor Society Opportunities for Recognition

### RECOGNITION **NEW!**

Heritage is pleased to offer new ways to celebrate your annual support with distinctive recognition to showcase your generosity and inspire other like-minded philanthropists. Together, you help strengthen families, encourage people to spend time outdoors, and foster an appreciation for American history and art—today, and for generations to come.

Please find recognition opportunities for specific activities and programs, available at the annual levels listed below. We are delighted to recognize you in ways that most reflect your interests and passions. We encourage you to talk with us about the areas that are the most meaningful to you.
