GUIDE BY CELL

Use your cell phone to discover both fun and fascinating snippets of Heritage information with our Guide by Cell audio tour. Locations throughout the property are marked with the Guide by Cell symbol. At each  symbol you find, dial the number on the sign and follow the recorded directions to learn more about what you are seeing. It's fun and easy!

Guide by Cell's main telephone number is: 508.275.9151

Heritage is delighted to provide our audio tour free of charge, however individual cell phone usage and roaming fees may be incurred. Please check with your service provider.
