Photography Internship

Available: Summer 2019

This position performs duties in support of Marketing and Communications, Social and Print Media. The ideal candidate would be a self-starter who would be interested and focused on taking pictures of various events and programs during the HMG 2018 season. This candidate would also be charged with updating and keeping organized the online photography library.

Requirements:
A mastery of photography desired. Videography skills, graphic design, and writing skills also a plus. Possess creativity, flexibility, and have great multi-tasking skills. Pleasant, professional personality. Highly organized, with attention to detail required. Candidate must also have a camera.

Duration and Hours:
Up to 20 hours per week. Schedule may vary.

Required Documentation:
Resume, cover letter that includes what skills you bring that make you an ideal candidate for this internship, documentation required for college program, completion of CORI report provided and processed by Heritage.

To apply, email resume and cover letter to:
Judith Goetz, Director of Marketing, Communications, and Public Relations
jgoetz@heritagemuseums.org

Please reference the name of the internship in the subject line of your email.
