

Non-Profit Membership Program

Heritage Museums & Gardens' Non-Profit Membership Program is designed for non-profits and social service agencies who would like to bring clients, members, or residents to Heritage on a regular basis. To qualify for a Non-Profit Membership, you must be a registered 501(c)(3) non-profit or licensed agency.

What makes Heritage special?

As a Heritage Non-Profit Member, you and your clients have access to **100 acres of magnificent gardens** in the heart of historic Sandwich. Explore a diverse range of landscapes, including formal gardens, lush woodlands, and serene water features. The gardens feature a variety of plant species from flowering trees, daylilies and hostas to the internationally important collections of rhododendron and hydrangeas – creating a visually stunning environment throughout the seasons.

The McGraw Family Garden of the Senses at Heritage was specifically **designed for those with a range of physical and mental disabilities and to appeal to the senses of each guest, regardless of age or ability.** Heritage also houses various exhibits including world-class automobiles, a working vintage carousel, a Wampanoag wetu, American folk art, and changing special exhibitions. Hidden Hollow, our outdoor discovery area, **encourages children and adults to explore nature together** while engaging curiosity and creativity.

A Place For You

Heritage offers you and your clients a place of relaxation and education, where you'll have experiences that are both enriching, stress-relieving, enjoyable, and good for your well-being. A non-profit membership allows you to enjoy this every day during the main season.

Heritage non-profit members receive a reusable membership card, valid for 12 months, that can be used by a different staff person each visit, as well as single use admission tickets. The membership card enables four people to visit Heritage each day during our main season. We invite you to also take advantage of early garden access during Member Mornings, every Monday, Wednesday and Friday between 9 and 10 am - a quieter time of day to visit.

Support your Community

Your support helps maintain our buildings and grounds and enables Heritage to continue to provide opportunities to learn and explore, to relax and play, and to make memories with one another for generations.
