

Library Pass Program

The Library Pass Program allows library patrons to save money on admission fees and gives families the opportunity to get out and enjoy Heritage's acres of peace, play, and education. The library pass program is only available to libraries.

What makes this season at Heritage special?

As a member of the Library Pass Program, your patrons have access to **100 acres of magnificent gardens** in the heart of historic Sandwich. Explore a diverse range of landscapes, including formal gardens, lush woodlands, and serene water features. The gardens feature a variety of plant species from flowering trees, daylilies and hostas to the internationally important collections of rhododendrons and hydrangeas – creating a visually stunning environment throughout the seasons.

Your patrons can explore ***Cranberries: From Cape Cod to American Icon***, a reimagined exhibition drawn from Heritage's expanded cranberry collection—the largest museum cranberry collection in the country. They can also experience the new ***Train Garden***, a permanent outdoor attraction where model trains wind through beautifully designed, Cape Cod-inspired landscapes. Visitors may immerse themselves in the ***Wampanoag Wetu, Three Sisters Garden, and Mush8n*** with live interpretation, or enjoy ***Remembering the Revolution***, a special exhibition marking the 250th anniversary of the Declaration of Independence. And, of course, guests can revisit favorite gardens and galleries while discovering what's new across the museum.

A Place To Explore

As the second-most visited place on Cape Cod (only after the National Seashore), Heritage offers your patrons a place of relaxation and education, where they'll have experiences that are both enriching, stress-relieving, enjoyable, and good for their well-being. Enrollment in the Library Pass Program allows your patrons to enjoy this every day during the main season, at a discount.

Heritage's Library Pass Program is designed to be flexible, offering your institution the option of physical one-time-use guest tickets, a discount code for online ticket purchases, or both!

Support your Community

Your support helps maintain our buildings and grounds and enables Heritage to continue to provide opportunities to learn and explore, to relax and play, and to make memories with one another for generations.
